## Intelligence Oversight Monitors

**SSgt Chad F. Jenkins**  
**Primary**

**SSgt Russell A. Harris**  
**Alternate**

**Purpose of Intelligence Oversight: IO encompasses two fundamental concerns: obtaining the intelligence information required to protect national security and protecting individual rights guaranteed by the Constitution and the laws of the United States. The primary objective of the IO program is to ensure that units and staff organizations legally conducting intelligence activities do not infringe on or violate the rights of US persons.**

**If you have any questions regarding intelligence oversight, please contact your monitors at 8-2155.**
