

419th Fighter Wing Targets

Readiness

Target A: 100% of all Squadrons C2 or better for combat readiness.

Target B: 100% of formal inspections receive rating of satisfactory or better, and no repeat write-ups.

Target C: 100% deployments will receive above average rating.

Target D: Effective planning and utilization of financial resources.

Target E: All wing systems Y2K compatible by 31 May 99.

Target F: Implement facilities improvement and modernization efforts.

Training

Target A: Provide realistic training that meets the trainee's needs; train the way you fight.

Target B: 1/3 of each wing organization deployed for off station training or contingency operations.

Target C: All personnel enrolled, successfully completing formal training courses.

People

Target A: Create an atmosphere of trust and mutual respect, eliminating behavior which may lead to any form of discrimination and harassment.

Target B: Provide a full spectrum personnel recognition program.

Target C: Maintain wing manning level of 95% authorized and a loss rate less than 17%.

Target D: Zero class A, B, and C safety mishaps and a 10% reduction in the use of hazardous waste materials.
