

439th AW INSPECTOR GENERAL OFFICE

The Air Force has a well-established complaint program to address both personal and Fraud, Waste and Abuse issues. This program is described in AFI 90-301.

REMEMBER,

No one may deny you access to the IG !

BUT,

The IG program doesn't normally handle issues that are covered by other directives and you must use the appeal procedures specified by those directives.

IN DOUBT? LET'S TALK ABOUT IT !
