AFI 91-207, 1 October 1995, The US Air Force Traffic Safety Program, is supplemented as follows. It applies to active duty, reserve and civilian personnel assigned to Duke Field.

6.1. **(Added)** Personnel who operate government vehicles (either owned, contracted or rented) will not operate cellular phones while the vehicle is in motion on or off base.

11.1. **(Added)** Traffic conditions permitting, personnel are authorized to jog, skate and bicycle on the roadways of Duke Field at anytime with the following exceptions:

0630 -0730 and 1530-1630, daily.

THOMAS M. STOGSDILL, Colonel, USAFR
Commander
