This instruction implements AFRPD 21-1, *Managing Aerospace Equipment Maintenance*. It assigns offices of primary responsibility (OPR) for the equipment listed in the applicable aircraft Dash 21 Equipment Inventory List, and establishes procedures for firm control of equipment accountability and accomplishment of aircraft equipment inventory checks.

SUMMARY OF REVISIONS

This revision changes the OPR and the references in paragraph 1.2. A (I) indicates new or revised material since the previous edition.

1. Responsibilities. Sections assigned as OPRs for the equipment will comply with AFI 21-103, *Equipment Inventory, Status, and Utilization Reporting*.

1.1. The Sortie Generation Branch is the OPR for the equipment listed under Sections I, II, and III of the applicable Dash 21 Equipment Inventory List.

1.2. The 301 RQS/DO is the OPR for equipment listed in AFI 11-2HH60GV3, *Helicopter Operations* and the 39 RQS/DO for the equipment listed in MCI 11-258, *C-130 Configuration/Mission Planning*.

2. Assignment of Responsibility. The commander appoints primary and alternate custodians for C-130 and H-60G equipment in each OPR.

3. Inventory Checks. Aircraft equipment inventory checks are required upon transfer of accountability within the unit, upon transfer of an aircraft to another organization, or upon receipt of an aircraft in the unit, and annually.

4. Equipment Condition. The assigned OPRs are responsible for maintaining assigned equipment in a serviceable condition.
